#30DayBetterBook

Planning Sheet

Tips:

- *No need for individual pieces for each category. Look for pieces that fall under multiple categories.*
- *There is no need to fill in every category. Choose what works best and makes the most sense for you.*
- *There are categories you may want to double. For example, if you sing Country, you may want Classic as well as Pop Country.*

A BOOK

• **The Top Ten**

- Showstopper/ Up-tempo-Belt : _____
